*5-7 p.m.*

*Kanesville Elementary School*

*3112 South 3500 West*

# Hinckley Drive (S.R. 79) Extension

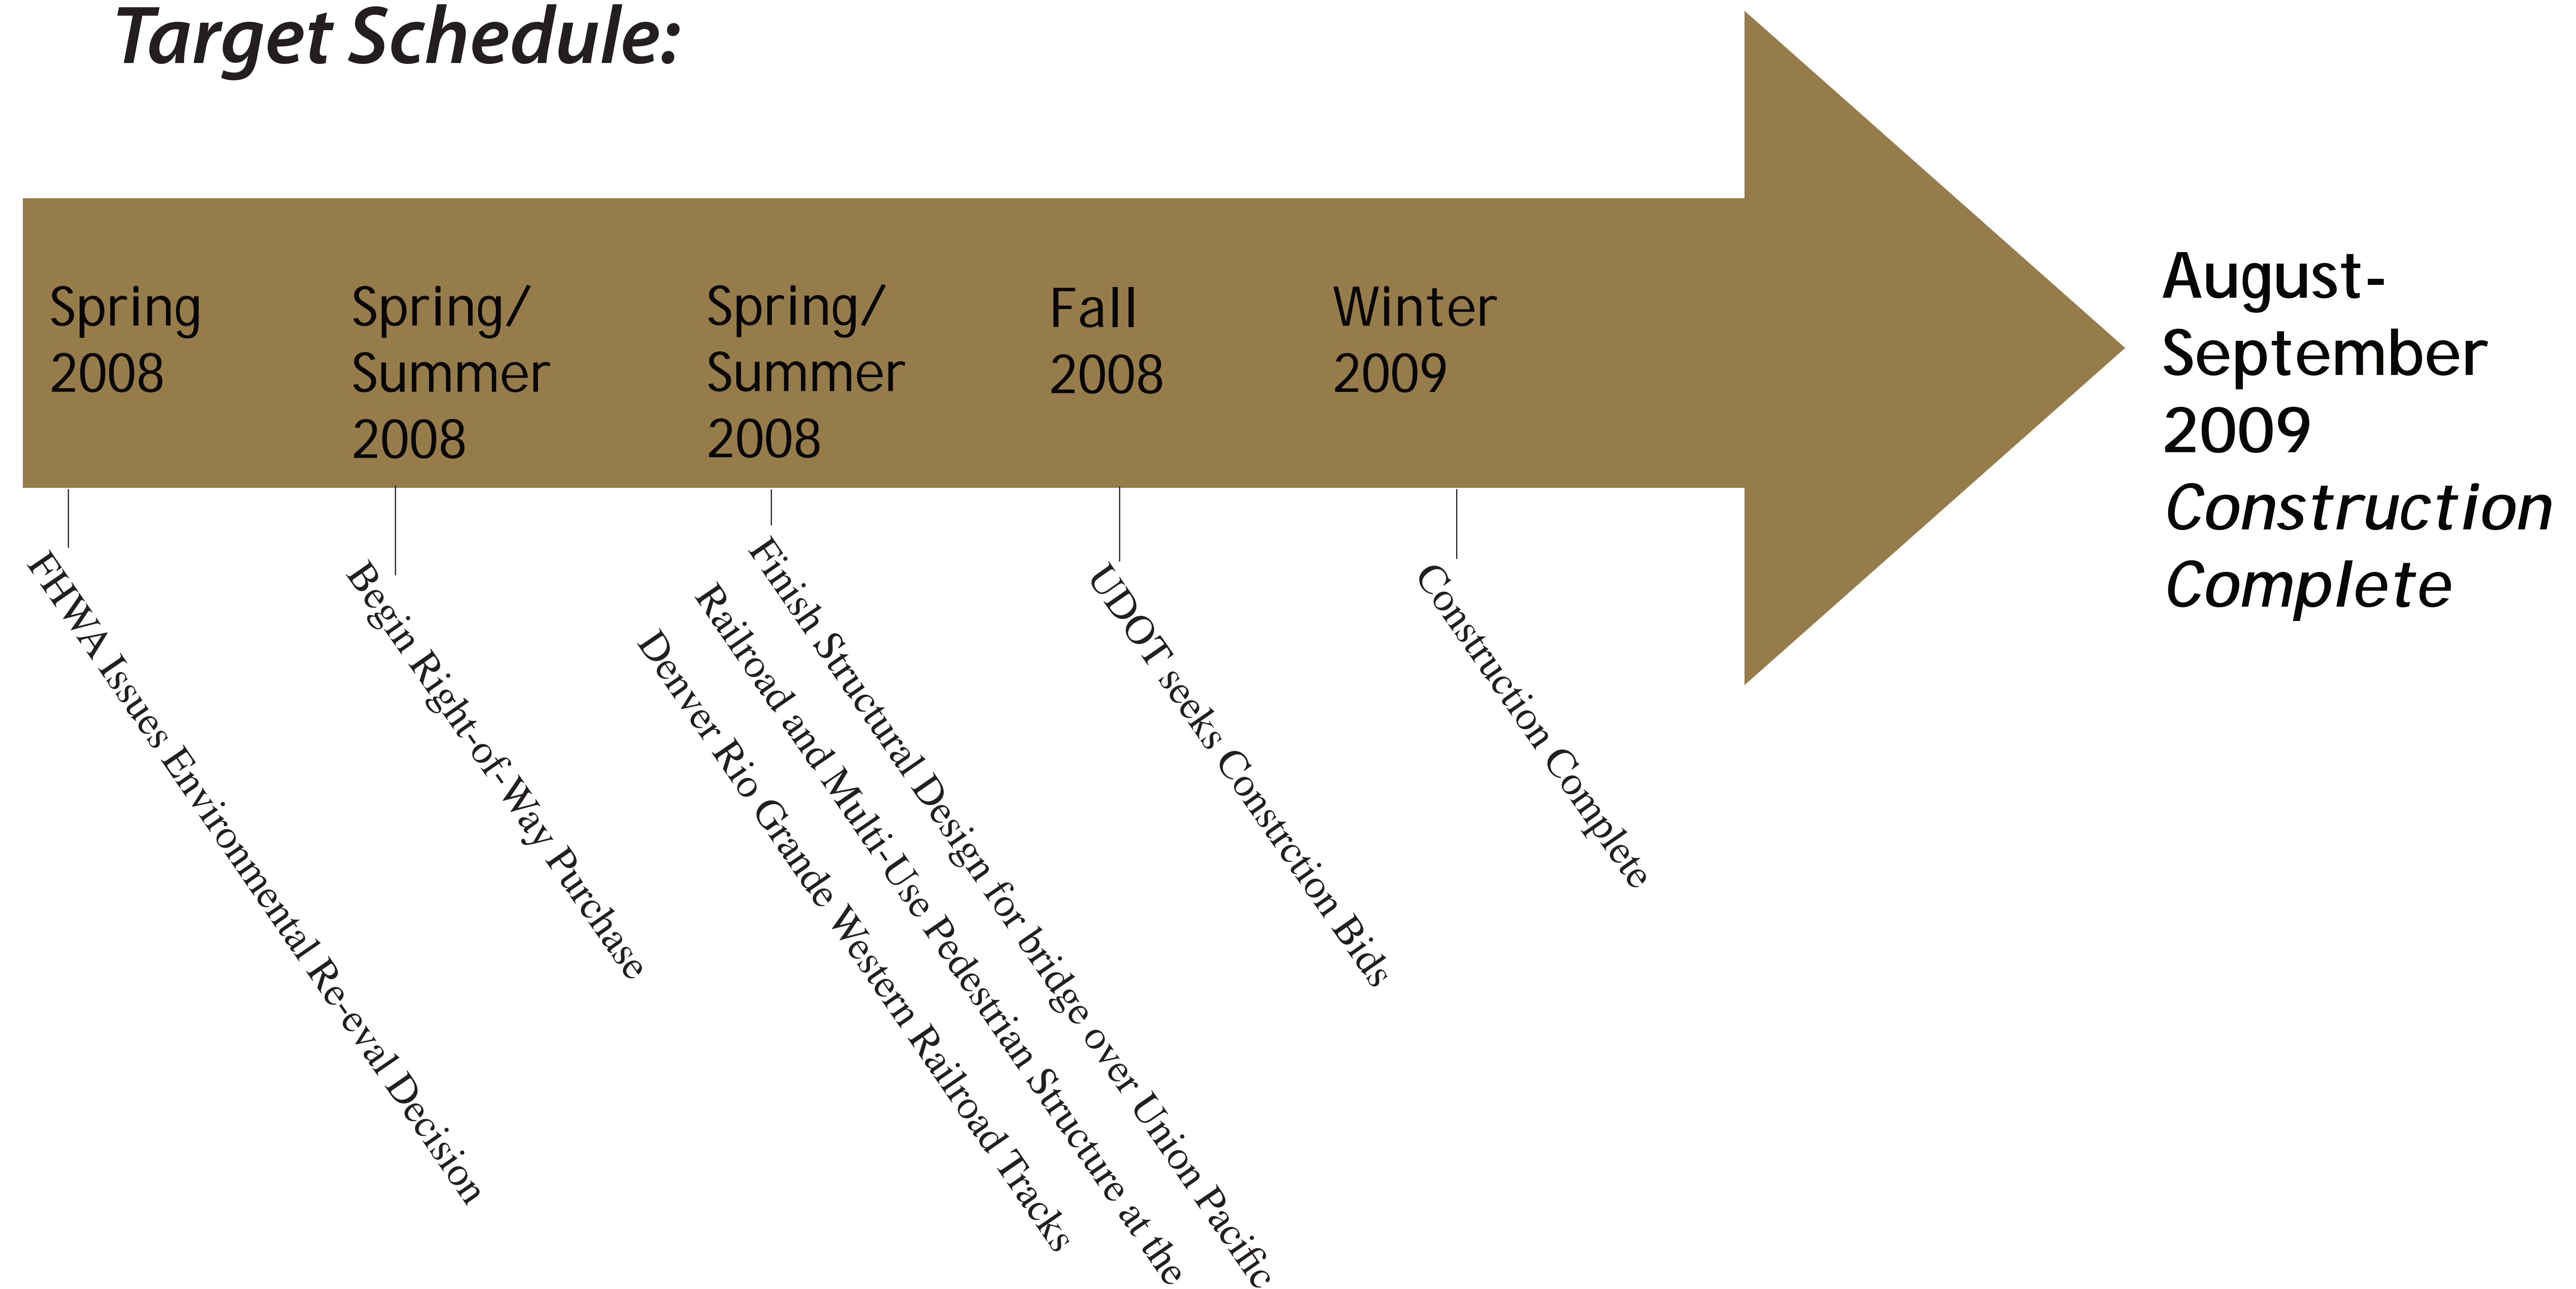

Public Meeting  
May 29, 2008

## Project Overview

The Utah Department of Transportation (UDOT) will extend Hinckley Drive (S.R. 79) from 1900 West (S.R. 126) to Midland Drive (S.R. 108) in Weber County.

The project is located in West Haven City and the City of Roy, and is just over one mile in length.

### *Target Schedule:*

Public Meeting  
May 29, 2008

## Project Purpose and Need:

---

- Improve regional traffic circulation and access between western Weber County and the Ogden Metropolitan Area
- Accommodate expected residential and commercial growth
- Conform to state, regional, and local master plans
- Preserve corridor

## *Profile Grade and Access to New Hinckley Drive Extension Roadway*

- Improve safety by providing limited access to the Hinckley Extension which will be classified as a principal arterial

# Hinckley Drive (S.R. 79) Extension

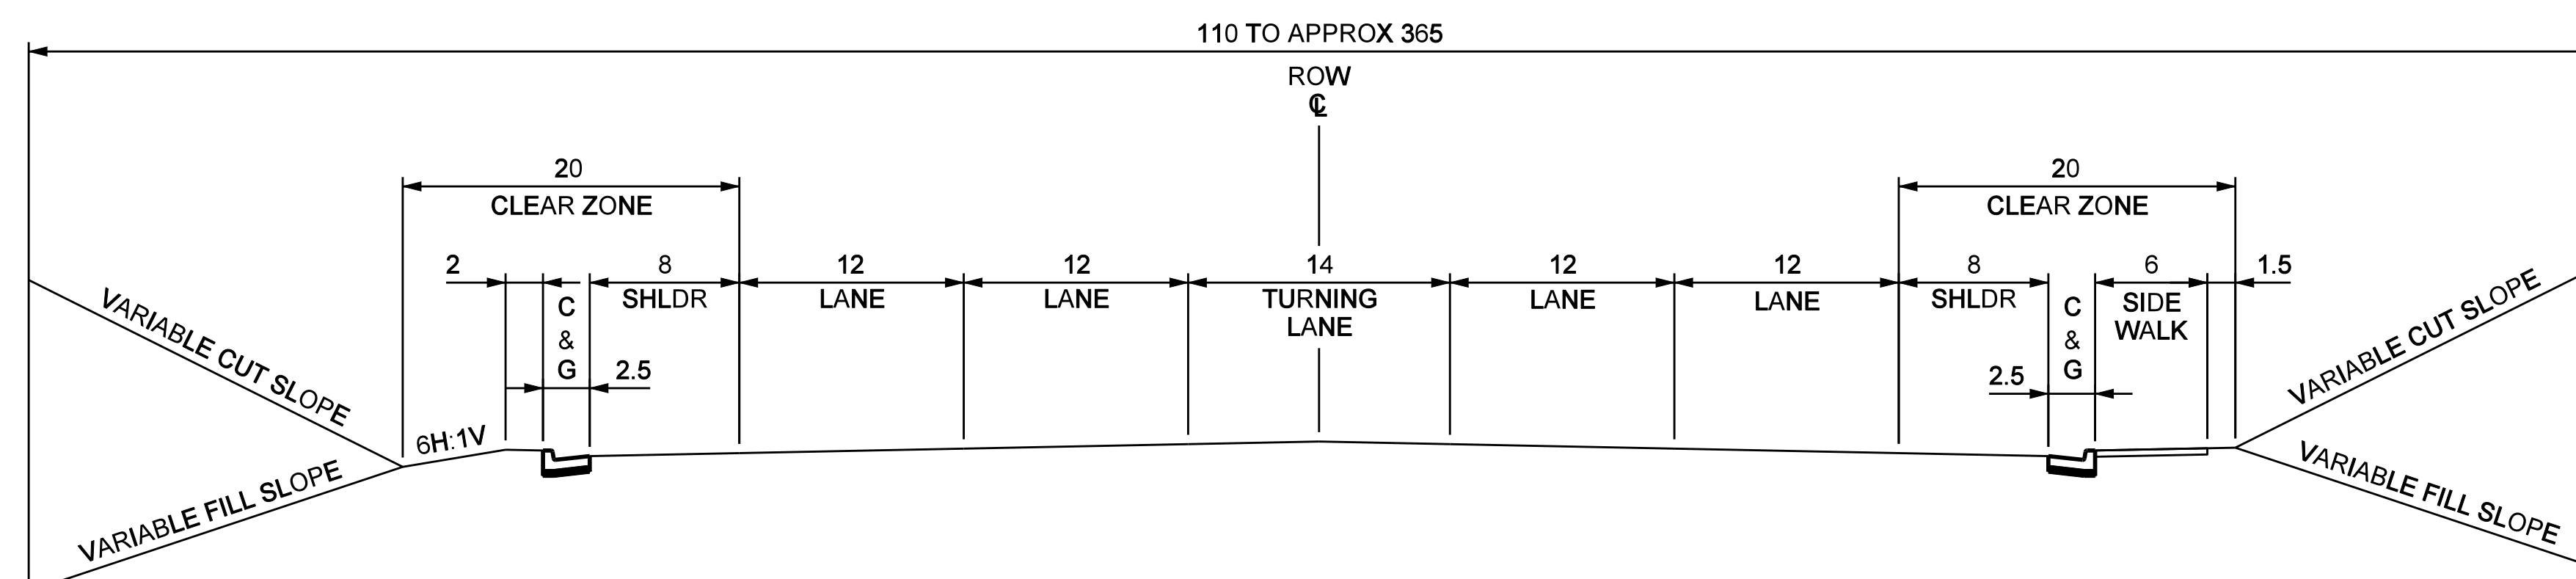

## Roadway Design

## Next Steps for Property Owner Coordination and Right of Way Acquisition:

---

- UDOT Right of Way representatives will begin meeting with property owners
- Property will be valued by an appraiser
- UDOT will make an offer to purchase needed property from land owners
- The awarded contractor will schedule a meeting with property owners to coordinate construction activities and schedules
